Hi Mary,

I am emailing to encourage you to prioritize "homeless" and "special populations" in the Qualified Allocation Plan. Statewide, private agencies and State of Michigan Departments have made a pledge to end homelessness. To do that, homeless persons especially those with disabilities will need to be prioritized in funding plans. It is critical that we serve the neediest of the needy and ending homelessness is achievable if resources align toward accomplishing this end.

Thank you for your consideration.

Yours truly,

Barb
